The Honorable Rosa DeLauro
Chair
House Committee on Appropriations

The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

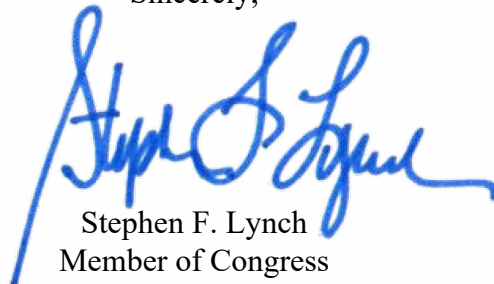

I am requesting funding for the UMass Boston Home Care Digital and Simulation Lab in fiscal year 2023.

The entity to receive funding for this project is University of Massachusetts Boston located at 100 Morrissey Blvd., Boston, MA, 02125.

The funding would be used for a Home Care Digital and Simulation lab to educate the next generation of home health care providers in evolving technologies used in home care at all levels of acuity and chronicity with a special emphasis on those that are aging, disabled and historically experienced health disparities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Stephen F. Lynch
Member of Congress
