The Honorable Rosa DeLauro
Ranking Member
House Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the North Jetty Berth revitalization project in fiscal year 2024. The entity to receive funding for this project is Massachusetts Port Authority, located at 700 Summer Street, South Boston, MA 02127. The funding would be used for design and permitting program for the North Jetty Berth Revitalization in the Port of Boston. The project is an appropriate use of taxpayer funds because this project will make the Port of Boston more efficient, resilient, and better able to handle evolving cargo demands in the decades to come while strengthening the regional supply chain. Additionally, the South Boston Marine Multiport project will raise the site's elevation, contributing to district-wide flood resiliency efforts. Concept design and permitting are critical and must be completed in order for the larger effort to move forward.

The project has a Federal nexus because the funding provided is for purposes authorized by 46 USC 54301.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephen F. Lynch
Member of Congress
