Dear Chair DeLauro and Ranking Member Granger:

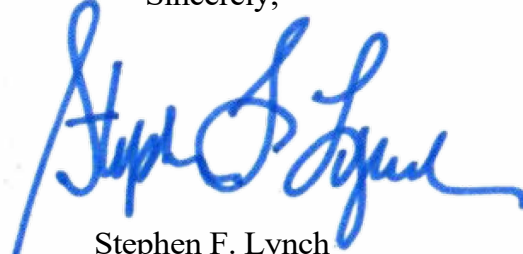

I am requesting funding for Home Base, a Red Sox Foundation and Massachusetts General Hospital Program in fiscal year 2023.

The entity to receive funding for this project is the Division the Department of Psychiatry at Massachusetts General Hospital. The hospital is located 55 Fruit Street, Boston, MA 02114 and Home Base, a Red Sox Foundation and Massachusetts General Hospital Program's clinic is located at One Constitution Road, Suite 140, Charlestown, MA 02129.

The funding would be used for funding for adult survivors from across the country to participate in Home Base's 2-Week Families of the Fallen Intensive Clinical Program and children grieving the death of a parent/primary caregiver who served in the U.S. military to participate in Home Base's Resilient Youth Program.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Stephen F. Lynch  
Member of Congress
