The Honorable Rosa DeLauro
Ranking Member
House Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a new modernization of the Adams Garage in fiscal year 2024. The entity to receive funding for this project is the City of Brockton, located at 45 School Street, Brockton, MA, 02301. The funding would be used for updating and modernizing a parking garage. The project is an appropriate use of taxpayer funds because the garage modernization supports the development of affordable and market rate housing to relieve the housing shortage in eastern Massachusetts and downtown Brockton. From new "Smart Parking" garage inventory management system with overhead vehicle detection system, new "pay on foot" revenue control system to allow for 24-hour use, new LED lighting system, update signage, update elevator and stair wells, new emergency call buttons and CCTV safety system, publicly accessible EV Charging Stations, these improvements will improve the area for the tax payer.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
