The Honorable Rosa DeLauro
Ranking Member
House Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for a project to make ADA accessibility improvements and renovations in Camp Harbor View in fiscal year 2024. The entity to receive funding for this project is the Camp Harbor View , located at 79 Newbury Street, Boston, MA 02116. The funding would be used for rehabilitation of the site to make ADA accessibility improvements. The project is an appropriate use of taxpayer funds because Camp Harbor View partners with more than 1000 Boston teens and their families on year-round programs that inspire creativity, build community, and champion young leaders. We are committed to economic mobility through youth development and family services in the City of Boston.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Stephen F. Lynch
Member of Congress
