The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

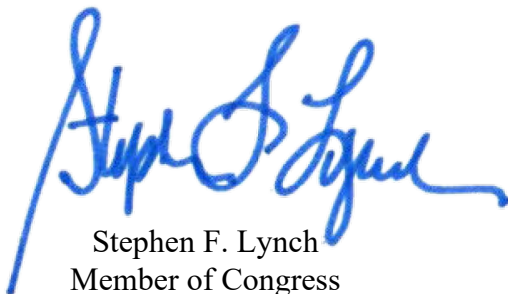

I am requesting Community Project Funding for the Abington Fire Department/Department of Public Works Building for Fiscal Year 2027. The entity to receive funding for this project is the Town of Abington, located at 500 Gliniewicz Way, Abington, MA 02351.

The funding would be used for the Fire Department headquarters portion of the new joint Abington Fire Department and Department of Public Works Building that is currently under construction. The old station was crumbling, outdated and no longer able to provide the safe working and living conditions the firefighters needed to be able to do their job effectively and safely. The Fire Department serves the town's population of 17,000 with vital rescue and health services and also provides mutual aid to surrounding communities. This new station will help to ensure the readiness of Abington's Fire and EMS personnel to serve their community.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,

Stephen F. Lynch
Member of Congress
