The Honorable Tom Cole

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting Community Project Funding for Mary Ellen McCormack Affordable Housing Infrastructure for Fiscal Year 2027. The entity to receive funding for this project is the Boston Housing Authority, located at 52 Chauncy Street, Boston, MA 02111.

The funding would be used for the hard costs to facilitate the construction of new affordable housing at the Mary Ellen McCormack public housing community, including remediation of hazardous existing building materials, demolition of existing obsolete housing structures, construction of enabling area infrastructure, and construction of new affordable housing units. Within the broader mixed-income, mixed-use redevelopment, affordable housing units will replace existing public housing units and ensure current residents of the site can continue to reside in their community, while also creating affordable opportunities for future households.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,

Stephen F. Lynch  
Member of Congress
